EClipz

heroes of tomorrow

hot products

File, sort, and select your documents knowing precisely which ones they are. The E-Clipz® holder is an index clip for rolled documents. Each E-Clipz® holder comes with a blank label so you can identify exactly which documents you have without having to unroll them! Simply mark your label and secure your documents with E-Clipz® holders. Available in Black (BL) with white labels. 50 per pack.
