## Features

Extra-strength drawer rails insure proper drawer alignment for smooth operation without jamming.

Heavy steel side-roller assembly with case-hardened steel ball-bearing rollers.

Courtesy stops keep drawers from rolling while in open position.

Rear hood and hinged front depressor in each drawer protect sheets and prevents them from curling.

Functionally designed label holders and chrome drawer handles.

Positive closure keeps drawers tightly shut.

Museum/archival quality paint finish ensures that there is no out-gassing and that the atmosphere in the files has no acidity or alkalinity (ph) created by the finish.

Our Flat Files feature welded steel construction, wrap-around corners and a sturdy inner frame. Heavy gauge steel with front supports add stacking strength. Stack up to 5-high on a closed base. Anti-slip pads between units prevent shifting. Closed Base raises files 6" off floor, while High Base raises files 20" off the floor. Optional Lock Kit is field installed and includes 2 keys. Optional Drawer Dividers are self-sticking and may be easily cut for a custom fit. Flat Files are available in three sizes, four in-stock colors Black (BLR), Tropic Sand (TSR), Gray (GRR), White (WHR) which are available in 48 hour quick ship. Sixteen optional colors Baby Wheat (BW), Sweet Pea (SP), Pepper Stone (PS), Sweet Cream (SC), Deep Quarry (DQ), Sand Dunes (SD), Chai Tea (CT), Bermuda Triangle (BT) Indigo Root (IR), Wild Wood Pine (WP), Taste of Tuscany (TT), Lobster Trap (LT), Calm Shore (CS), Arabian Sky (AS), Cool Cucumber (CC), and Pot of Gold (PG) are available to ship within three weeks.
