Laser **DIMENSION MASTER**[®] Ultrasonic Measurer with Laser-Pointer

Real Estate Agents • Estimators • Assessors
Interior Decorators • Remodelers • Designers

- Measure Distances in Feet-Inches or Meters
- 99.5% Accurate From 18 Inches to 50 Feet — Indoors; Easy-to-Read LCD
- Two-Position Directional Head for Comfortable, Precise Measuring
- Use Ultrasonic Measure With Laser, Measure Only or Laser-Pointer Only

The “No Tape” Measure that fits in your pocket!

Laser Dimension Master is equipped with a “swivel” head permitting easy floor to ceiling and wall to wall measurements. Works with or without laser in either position, and compensation for unit depth is automatic.

MEASURES FROM THE BACK

When the swivel head is in the “upright” position, measurements are calculated from the “back” of the unit.

When the swivel head is in the “down” position, measurements are calculated from the “bottom” of the unit.

MEASURES FROM THE BOTTOM

Laser **DIMENSION MASTER®**

Ultrasonic Measurer with Laser-Pointer

- Fast, Accurate**
 Measure from 18 inches (45.72cm) up to 50 feet (15.2m) with 99.5% accuracy.
- Versatile Two-Way Measuring**
 Unique dual-position measuring head allows for convenient, comfortable use.
- Narrow Beam Design**
 Works even in applications where furniture or fixtures are present.
- Continuous Measurement**
 Find a desired distance by moving toward or away from target.
- Measurement Verification**
 Unit automatically verifies measurement with built-in error checking program.
- Compensates For Its Own Size**
 Automatically compensates for unit depth using either measuring position.
- Simple, Easy-to-Use**
 "Aim and Shoot" technology measures with a single press of a button.
- Easy-to-Read LCD**
 Set Laser Dimension Master to display estimates in Feet-Inches or Meters.
- Includes Everything You Need**
 Battery-saving Auto Shut-Off, Easy-to-Read User's Guide in English, French and Spanish, Long-Life Batteries, Vinyl Carrying Case with Belt Loop, Full One-Year Limited Warranty.

Ultrasonic Sound

99.5% Ultrasonic accuracy to 50 Feet, Indoors!
